to the Birmingham Office so that they may have complete information concerning the subject. One copy of this report is disseminated for NY file 157-1558 which is the K NYO control file on the UKA. 44.8162

Because of the subject's position as Grand Dragon in the UKA, he is being recommended for the SI and FD 122 is being submitted to the Bureau.

Investigator DICK HAMPSON, (NY T-5) received his information from their confidential informant, BRUCE HENNIK, 129 Thomas St., Rochester, NY. HAMPSON requested that under no circumstances should their informant's name be disclosed outside the FBI.

Subject's file contains a suitable photograph.

Subject is not recommended for interview at this time due to his medical history, set forth in referenced report.

This report is classified "Confidential" because bedraw is information reported by live informants it contains information reported by live informants (NY T-1 through and including NY T-4), the unauthorized disclosure of which might cause the informants' identities to become known and thus hinder the national defense.

It is noted that BURROS is the subject of New York file 137-9462. This file was opened in January, 1963, at which time consideration was given to developing him as a Source of Information. In March, 1963, the file on BURROS was closed, however, it was pointed out in New York letter to the Bureau concerning the American National Party (BUfile 157-537) that the New York Office would continue to accept whatever information EURROS wished to voluntarily furnish.
